We'd like to see more science teaching and opportunities in school.

We did...

We ran a successful Science week and have had STEM training and more Science visits and visitors into school

Better communication – the electronic system (SCHOOLCAL) isn't working well and some messages aren't getting to us in time!

From September 2018, we are changing our electronic system to SCHOOLCOMMS and this will improve messaging service and regular bulletins and info to parents. (Watch out for details to follow)

Have better kitchen facilities and a better play area for the children.

Unfortunately due to the physical build of the school, we can't have a kitchen! We cannot change this. We are hoping to refresh the playground equipment and ground markings over the holidays.

We'd like to know what topics are being covered each term or every month.

All curriculum maps (topics) can be found on our school website and year groups send out updates **at least** termly. Please check your child's book-bag regularly!

More spaces in after school clubs – my child never seems to get selected ...

This year (to date) we've had an amazing 200 spaces for after school clubs! We are currently reviewing our provision for next year and ensuring that there is again a balance across year groups

We'd like more drop in sessions and also help with homework and expectations.

We have run sessions for supporting with letters and sounds, phonics, expectations for year groups and packs are sent home too. We have held learning cafes, sessions after class assemblies and will continue to do so next term. E-Safety day was popular
