

# P.E. Newsletter November 2021

So far our Autumn term here at Oxbridge Lane has been full of fun while we have been participating in a range of sports and competitions.

Dear Families,

Here at Oxbridge Lane we pride ourselves in offering a diverse P.E. curriculum. We also aim to participate (and hopefully win) as many inter-school competitions as possible. We are following the Sports Values of self belief, teamwork, determination, honesty, passion and respect. We focused on determination last half term and are currently looking at honesty in this half term. Please encourage your children to be as active as possible as this is not only great for physical wellbeing but mental wellbeing too.

In Nursery, we've been practising lots of skills to develop gross motor skills like balancing. We are developing our confidence and enjoying being active.

In October, some of the children went to Sunderland to compete in a Ten-Pin Bowling Competition. We had a wonderful time and we won the competition!

Look at our wonderful trophy.

In Reception, we have been keeping healthy and learning to dance even better!

In Key Stage 1, we have had a specialist dance teacher called Mrs Coulter in all half term to teach us dance! We've loved it!

In Key Stage Two we have been entering lots of competitions including: cross country, the scavenger hunt and the ten pin bowling competition. We have all been busy working on our gymnastics skills with Miss Bennett.

Y6 pupils are now trained up as 'Sports crew' and will be helping children across school get active at playtimes and lunchtimes!

We had fun taking photos of different challenges we had to do.

Y5 pupils went on a 'scavenger hunt' using our map reading skills as well as lots of running!

We used a map to work out where we were so that we could find the different things.

Watch out for more super, sporty fun this half term!
