

Fundraising, Events & PTFA

December 2021

Welcome to the first Fundraising, Events and PTFA newsletter.

The aim of this will be to give you advance notice of events we will be taking part in and sharing our successes.

I am looking forward to sharing some exciting activities with you over the coming months!

Mrs Seabourne

Fundraising for Charities

This half term we have supported the Macmillan appeal raising over £400 and thoroughly enjoyed being able to welcome you back into school—albeit temporarily!

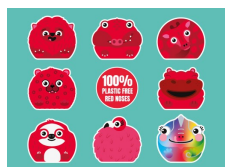

We have also supported Children in Need. Your generous copper donations resulted in us being able to donate just over £75. Every child was able to participate in creating our Pudsey pictures and what an amazing job they did as well!

Next term we will be supporting Comic Relief and a local charity.

All other fundraising will be focussed on raising funds for our children and school.

Thank you for the responses to the survey last month. We will hopefully be able to start running some family learning opportunities, information sessions and welcome you back into school to support the areas you have identified in the Spring term.

This years fundraising focus—

Outdoor Learning

As a school, we would like to change our approach to outdoor learning and playtimes.

We want to provide toys such as Lego, bikes, cars, role play, den making equipment and more for children right the way through school.

We will be holding a variety of events to hit our target of £1000.

Any handy people out there that could perhaps make us a fundraising visual target such as a thermometer?

If you have any suggestions at all or are able to provide any resources please get in touch with me.

Butterwick Reindeer Run

Once again our School Council have planned for the whole school to participate in the reindeer run during their PE lessons.

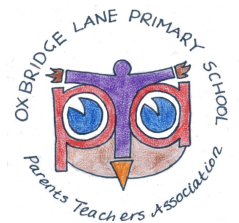

This will take place **next week.**

Any donations very welcome.

PTFA

The parent, teacher and friends association is for everyone—adults and children. We aim to host fund-raising events and social events for everyone. Obviously Covid has prevented many of our plans, but we will persevere and hopefully in Spring we will be able to welcome you into school for Easter Bingo, Easter discos, games nights and more!

If you are interested in being part of the committee please get in touch, we need a vice chair person and secretary. I will support you in all aspects and your commitment will be to attend at least 3 meetings a year. Meetings will be held on the second Tuesday after each half term.

If you would just like to help out at the odd event this will also be very much appreciated and you are under no commitment at all. We just need your support to enable us to give our children the best experiences and provide many needed resources for them!
