

Oxbridge Lane Primary School

Welcome to Year 5

Welcome to Year 5!

I am Miss Amerigo and I am the headteacher at Oxbridge Lane Primary School.

Welcome to your new year group! I hope you have a fantastic time during transition week and that you enjoy meeting your new class and teachers. There is so much for you to learn, and I am sure you are all excited to get started.

Have a wonderful summer and I am looking forward to seeing you back at school in September.

Classrooms

In school, we follow the Jolly Phonics scheme. To learn more about the scheme, please use this web link:

<https://www.jollylearning.co.uk/>

We use Ready Steady Comprehension to develop children's understanding of texts. Children will read a range of texts including poetry, non-fiction and fiction. In addition to this children will quiz on their reading book when they have finished it and this will inform them of how well they have understood the text and for how many minutes a day (on average) they have been reading for. Children will Star Test and this will give them a ZPD which allows them to choose a book at an appropriate level to help them develop their reading skills further.

Mathematics

Power Maths

In school we use Power Maths. This programme is designed to spark curiosity and excitement, nurture confidence in maths and embed a growth mind-set approach to maths. It focuses on helping all children to build a deep understanding of mathematical concepts.

Times Tables Rock Stars

Times tables (as well as addition, subtraction and division facts) are building blocks for many more complicated calculations so it is therefore very helpful if these can be learnt as facts as well as calculations.

Times Table Rock Stars, promotes the learning of

times tables facts and is introduced in Year 2 running all the way through to the end of Year 6.

Children will be given a login to use in school and at home.

Learning to Read

Reading is taught through daily English lessons, as well as our daily reading comprehension sessions. Teachers give a high priority to the teaching of reading. This offers children the opportunity to build on the work they have done in previous year groups and continue to apply them in their reading and writing.

It is important that you read and share a variety of texts with your child, including fiction and non-fiction books, magazines, recipes, comics, shopping lists and much more.

Lunchtime

Lunchtime is a very sociable time. At Oxbridge Lane, children sit in the dining hall to eat lunch alongside their friends. We encourage the children to try all the food. The menu will be made available on our website.

Food menus cater for vegetarians, medical dietary needs and allergies. We are also very happy to work with you and your child to make sure that they are able to eat the food on offer. We know that some children can be fussy, but we are committed to working with you to help your child enjoy a wider range of foods. The children drink water with their food.

Medicines

Asthma inhalers, epi-pens and other prescribed medication will be administered in school where necessary.

Please ask the School Office for the relevant permission form.

We follow the six school games values in our P.E. sessions which allows all abilities to succeed in our P.E. sessions. We aim to have all Year 5 children take part in at least one off – site sporting event per year. As well as our usual two P.E. slots per week we will be having a range of one off sporting days and visitors in school.

Getting your child ready for Year 5

You could support your child to be ready for Year 5 by:

Maths

Learn all the times tables to 12x12 and the related division facts.

English

To read at least 5 times per week for around 10—15 minutes per day. Continue to read throughout the holidays (signs, magazines, books, comics, etc.). Practise spellings weekly. Practise your cursive handwriting. Encourage your child to write throughout the holidays. (postcards, shopping lists, recounts of what they are doing).

School Hours

The school day begins at **8:45am**. Children will come from the yard and straight into class to meet their teacher.

Lunch starts at **12:30pm** and the afternoon session begins at **1.15pm**.

The school day ends at **3:15pm**.

Collecting Your Child

The playground gate will be opened at 8:40am and 3:00pm. Please wait outside the gates until a member of staff opens them.

All children must be collected from the yard by a responsible adult who is known to the staff unless you have signed the relevant forms for them to be allowed to walk home alone.

Attendance and Punctuality

It is important that your child attends **on time every day** in order to reach their full potential and to get the best possible opportunities from our school.

If your child is unwell, it is important that you ring in and report your child's absence on the first day. If your child becomes ill during the school day, we will contact you. **Please ensure your contact details are kept up-to-date with the school office.**

School Rules

At Oxbridge Lane Primary School we have 3 school rules that are followed throughout school.

They are:

These simple rules are easy to follow and we encourage pupils to reflect on their own behaviour within school.

We run a series of workshops throughout the year that parents may wish to attend.
