

Oxbridge Lane Primary School

Welcome to Year 3

Welcome to Year 3!

I am Miss Amerigo and I am the headteacher at Oxbridge Lane Primary School.

Welcome to your new year group! I hope you have a fantastic time during transition week and that you enjoy meeting your new class and teachers. There is so much for you to learn, and I am sure you are all excited to get started.

Have a wonderful summer and I am looking forward to seeing you back at school in September.

Classrooms

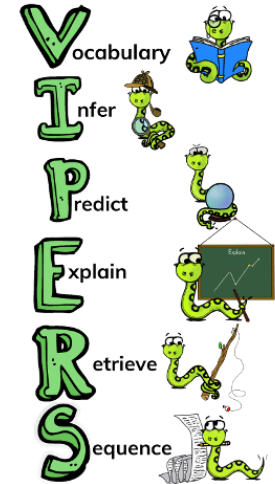

In school, we follow the Jolly Phonics scheme. To learn more about the scheme, please use this web link:

VIPERS

We teach reading through daily VIPERS lessons. It is an acronym of the 6 reading domains as part of the UK's reading curriculum. They are the key areas which we feel children need to know and understand in order to improve their comprehension of texts.

VIPERS stands for Vocabulary, Inference, Prediction, Explanation, Retrieval, Sequence or Summarise

Mathematics

Power Maths

In school we use Power Maths. This programme is designed to spark curiosity and excitement, nurture confidence in maths and embed a growth mind-set approach to maths. It focuses on helping all children to build a deep understanding of mathematical concepts.

Times Tables Rock Stars

Times tables (as well as addition, subtraction and division facts) are building blocks for many more complicated calculations so it is therefore very helpful if these can be learnt as facts as well as calculations. Times Table Rock Stars, promotes the learning of

times tables facts and is introduced in Year 2 running all the way through to the end of Year 6.

Children will be given a login to use in school and at home.

Learning to Read

Reading is taught through daily English and Phonics lessons, as well as VIPERS lessons. Teachers give a high priority to the teaching of reading. This offers children the opportunity to build on the work they have done in previous year groups and continue to apply them in their reading and writing.

It is important that you read and share a variety of texts with your child, including fiction and non-fiction books, magazines, recipes, comics, shopping lists and much more.

Mrs. Seabourne

Hello, I'm Mrs Seabourne (I am sure you already know who I am!), and I will be your Year 3 teacher next year. I have been a teacher at Oxbridge Lane for 21 years and have been a teacher for 26 years. I love to drink tea, read lots of different books and like the colour purple! I am looking forward to meeting you all and finding out what things you like. Year 3 is a great year to teach. We will be learning about the Romans, the Stone Age, going on a virtual Euro trip and investigating things from rocks and soils to animals and humans with lots of other topics as well. We will have some exciting literacy themes and amazing VIPERS texts and will be learning lots of new maths. Get practising your times tables trust me they will make all of your maths work so much easier! This year our class name is based on authors and I have chosen Jill Murphy for our class – she wrote lots of books I know you will have read. My favourite is The Large Family's Quiet Night in but I also like Whatever Next! Do you know any Jill Murphy books or anything about her? If you do please share it with me! I am sure you will love being in Year 3. Transition week will be a great start to our next adventure!

Food menus cater for vegetarians, medical dietary needs and allergies. We are also very happy to work with you and your child to make sure that they are able to eat the food on offer. We know that some children can be fussy, but we are committed to working with you to help your child enjoy a wider range of foods. The children drink water with their food.

Continue to read throughout the holidays (signs, magazines, books, comics, etc.)

Practise your cursive handwriting. Encourage your child to write throughout the holidays. (postcards, shopping lists, recounts of what they are doing)

All children must be collected by a responsible adult who is known to the staff.

Attendance and Punctuality

It is important that your child attends **on time every day** in order to reach their full potential and to get the best possible opportunities from our school.

If your child is unwell, it is important that you ring in and report your child's absence on the first day. If your child becomes ill during the school day, we will contact you. **Please ensure your contact details are kept up-to-date with the school office.**
