Animals inc Humans <ul style="list-style-type: none"> • Dissect a heart • Circulation Game/system – Outdoor learning • Heart Beaters – STEM 	Excite and Ignite <ul style="list-style-type: none"> • Coke and Mentos experiment • Bunsen Burner • Naked egg experiments • Carbon sugar snake
	Computing	E-Safety and Digital Literacy		Information Technology		Coding	
	DT	War & Conflict Rationing - Cooking Eggless cupcakes Rice pudding		Game making – Classification Cooking		Design, Make and Evaluate Electricity Buzzer games – Design, Mark & Evaluate	

		Blancmange Pulley Trenches					
Global & Cultural	History	War and Conflicts: World Wars Refugee – Link to society at the moment			Ancient Greece / Olympics Mini Olympics at park Preston Park		
	Geography	Population Links to the overall topic of ‘War and conflict’ Looking a human and physical features of Europe pre/post WW1 and WW2. Children will identify countries on a map and note political changes to maps over time. To understand that a diverse population countries fought in the war to the allies. To show migration from war or famine is not new and that people in the local area may be living here for these reasons.		Energy and sustainability Links with overall topic of ‘challenges facing the world’ and links with PHSE topic of caring for the world. Children to understand the differences between the UK localities and how human impact has caused these areas to change. To help children appreciate the beauty and fragile nature of our local natural environment nd to encourage them to take responsibility for maintaining and improving our local and global environment.		Fieldwork To allow children to enhance skills they have learnt through first hand experiences and may not otherwise get in their home lives. The children will be able to explain what field work is, the different types and why geographers need to do field work. They will be able to describe why maps are important and how they are used.
