

Oxbridge Lane Primary School

Welcome to Year 3

Welcome to Year 3!

I am Miss Amerigo and I am the headteacher at Oxbridge Lane Primary School.

Welcome to your new year group! I hope you have a fantastic time during transition week and that you enjoy meeting your new class and teachers. There is so much for you to learn, and I am sure you are all excited to get started.

Have a wonderful summer and I am looking forward to seeing you back at school in September.

Classroom

In school, we follow the Jolly Phonics scheme. To learn more about the scheme, please use this web link:

<https://www.jollylearning.co.uk/>

VIPERS

We teach reading through daily VIPERS lessons. It is an acronym of the 6 reading domains as part of the UK's reading curriculum. They are the key areas which we feel children need to know and understand in order to improve their comprehension of texts.

VIPERS stands for **V**ocabulary, **I**nference, **P**rediction, **E**xplanation, **R**etrieval, **S**equence or **S**ummarise

Mathematics

Power Maths

In school we use Power Maths. This programme is designed to spark curiosity and excitement, nurture confidence in maths and embed a growth mind-set approach to maths. It focuses on helping all children to build a deep understanding of mathematical concepts.

Times Tables Rock Stars

Times tables (as well as addition, subtraction and division facts) are building blocks for many more complicated calculations so it is therefore very helpful if these can be learnt as facts as well as calculations.

Times Table Rock Stars, promotes the learning of

times tables facts and is introduced in Year 2 running all the way through to the end of Year 6.

Children will be given a login to use in school and at home.

Learning to Read

Reading is taught through daily English and Phonics lessons, as well as VIPERS lessons.

Teachers give a high priority to the teaching of reading. This offers

children the opportunity to build on the

work they have done in previous year groups and continue to apply them in their reading and writing.

It is important that you read and share a variety of texts with your child, including fiction and non-fiction books, magazines, recipes, comics, shopping lists and much more.

Lunchtime

Lunchtime is a very sociable time. At Oxbridge Lane, children sit in the dining hall to eat lunch alongside their friends. We encourage the children to try all the food. The menu will be made available on our website.

Food menus cater for vegetarians, medical dietary needs and allergies. We are also very happy to work with you and your child to make sure that they are able to eat the food on offer. We know that some children can be fussy, but we are committed to working with you to help your child enjoy a wider range of foods. The children drink water with their food.

Medicines

Asthma inhalers, epi-pens and other prescribed medication will be administered in school where necessary.

Please ask the School Office for the relevant permission form.

Getting your child ready for Year 3

You could support your child to be ready for Year 3 by:

Maths

Count in 3s, 4s and 8s forwards and backwards to 100.

English

Continue to read throughout the holidays (signs, magazines, books, comics, etc.)

Practise your cursive handwriting. Encourage your child to write throughout the holidays. (postcards, shopping lists, recounts of what they are doing)

School Hours

The school day begins at **8:45am**. Children will come into the playground to line up with their teacher.

Lunch starts at **12:15pm** and the afternoon session begins at **1pm**.

The school day ends at **3:15pm**.

Collecting Your Child

The playground gates will be opened at 8:40am and 3:10pm. Please wait outside the gates until a member of staff opens them.

At the end of the school day, children in Year 3 will line up next in the corridor and be dismissed on to the playground and are asked not to go to their adult until a member of staff calls their name.

All children must be collected by a responsible adult who is known to the staff.

Attendance and Punctuality

It is important that your child attends **on time every day** in order to reach their full potential and to get the best possible opportunities from our school.

If your child is unwell, it is important that you ring in and report your child's absence on the first day. If your child becomes ill during the school day, we will contact you. **Please ensure your contact details are kept up-to-date with the school office.**

School Rules

At Oxbridge Lane Primary School we have 3 school rules that are followed throughout school.

They are:

Be safe

These simple rules are easy to follow and we encourage pupils to reflect on their own behaviour within school.

Working in Partnership

Workshops

We run a series of workshops throughout the year that parents may wish to attend.

Parents' Evenings

We hold two parent's evenings a year for you to meet with your child's teacher and review their learning journey.

End of Year Report

A written report is given to you towards the end of the summer term.
