

## EYFS

We have been learning about the past and present in our own lives and that of the people who are special to us.

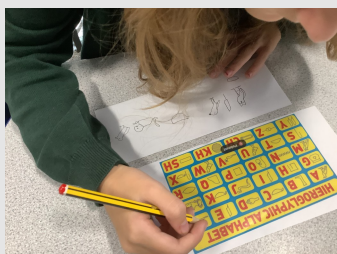

## Year 2

We have enjoyed learning about The Great Fire of London and understanding why and how it started. We have learnt the impact of the fire on the city and how that has helped shape society today.

## Year 4

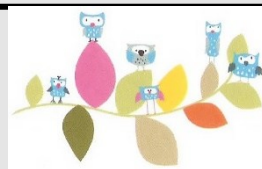

We have enjoyed learning about The Egyptians last term and it was interesting to learn the impact their civilisation has had on ours.

We even tried writing our name in hieroglyphics.

## Dear Families,

The children and staff have been working so hard on their history topics. We are a culturally rich school and we believe that history helps children to understand their own identity as well as other people's lives. Enjoy a snapshot of our History curriculum over Autumn Term.

**In Year 1** we have been learning all about the past, focussing on our school and our local park. We have learnt new vocabulary and compared life 'now' and 'then'

To link in with our topic of 'past to present' we made a visit to Preston Park and Museum.

## Year 3

We celebrated Remembrance Day with a whole school online assembly and created some artwork with water colours

## Year 6

We have been learning about life in WW2 and the impact this had on the people of Britain, in particularly, children. We wrote some beautiful diary entries from the view of an evacuee. We even got to visit Eden Camp.

We were given the opportunity to be part The Poppies Project, along with other local schools. Year 6 attended our local graveyard and were able to lay a poppy of the graves of fallen soldiers. This was an honour to have Oxbridge Lane part of something as special as this.
