As there has been an increase in measles across the UK its important that parents and carers are aware of the symptoms, these include:

High fever. Sore, red, watery eyes. Coughing. Aching and feeling generally unwell. A blotchy red brown rash, which usually appears after the initial symptoms.

For more information about measles please visit the NHS website for more information about measles:

The Teesside Charity

Oxbridge Lane Primary School are working with The Teesside Charity to help families that are in fuel crisis. This is when people who prepay for fuel run out of money or people who pay by direct debit but are due to lose service, they are simply left without. No heating. No lighting. No hot food. No hot water.

If you are struggling with fuel crisis, please contact either Mrs Godfrey or Mrs Butler we maybe able to help.

Punctuality

Last week we had 82 recorded late arrivals when children arrived at school via the main entrance rather than through their school gate. School gates are open between 8:45am and close promptly at 9am. When children arrive late to school this not only disrupts the start of their day as learning time has already begun it also has an impact on other children in the classroom and staff.

We ask for your support in ensuring your child arrives at school so they can enter on time via the school gate and be ready to learn from the start of the day.

Please also be aware that breakfast club runs from 7:45am and bookings can be accessed via the school gateway app.

Good attendance to school is vital for children to achieve their best outcomes. The chart below helps to explain the importance of your

It can be tricky deciding whether or not to keep your child off school or nursery when they're unwell. The NHS has helpful guidance on their website to help you decide if you child is well enough to attend school. <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>
